

Business Partner Membership Form

Mission Statement

TECHBY20 exists to support the development of a vibrant technology ecosystem along the I-20 corridor of North Louisiana.

We do this by offering opportunities for our members to collaborate on:

- Recruitment of quality talent
- Supporting and shaping regional technology-focused higher education programs
- Sparking interest among regional youth in STEM learning
- Developing regional business and professional connections
- Marketing their companies' achievements to regional, state and global audiences

TECHBY20 is a membership-based association that is a program of the North Louisiana Economic Partnership, a public-private regional economic development organization. Business Partner Members are businesses, non-profits and educational institutions that support the mission of TECHBY20. Business Partner members are also members of the North Louisiana Economic Partnership and are eligible to receive its membership benefits. Business Partners Members are the governing body of TECHBY20's activities and may join TECHBY20 committees. Committees include:

- Steering Committee (Business Partner members only)
- Programs Committee (Business Partner and Individual Members)
- Marketing/Outreach Committee (Business Partner and Individual Members)

TECHBY20 hosts public events along the North Louisiana I-20 Technology Corridor to educate IT professionals and interested members of the public on current industry topics. Past events have included subject-matter experts on Blockchain and Cryptocurrency, Smart Cities, 3D Printing and the business of starting and growing a tech company. Supporting the growth of User Groups that are relevant to our local companies is another priority of TECHBY20.

TECHBY20 is marketed through a website (www.TECHBY20.org) and social media pages on Facebook and LinkedIn.

To become a Business Partner Member, complete the attached forms (only the TECHBY20 form if you are already a NLEP member) and email to awhite@nlep.org.
